- (a) You must pay the price and our other charges on the 20th of the month following the month of purchase.
- (b) We may however require you to pay sooner, possibly before the services are performed or the goods are sent to you.

3. Overdue Payment

- (a) You must pay default interest on overdue payments at our then current default interest rate calculated from the date payment is due until the date we receive payment.
- (b) We may review our default rate from time to time.
